

# The Helen & Ade Dillon Award for Appleton Area School District Staff

## **Background**

Helen and Ade Dillon were educators in the Appleton Area School District for 23 years and 35 years, respectively. During those years, they left a distinguished legacy in the community.

Helen taught at the elementary school level, English and Social Studies at the middle school level, and completed her career as a high school guidance counselor. In her retirement, Helen was an active volunteer for LEAVEN, Appleton Medical Center and Hospice, and also served as a volunteer teaching English as a Second Language.

Ade taught Social Studies at Appleton West High School and was well known as a coach, using sports as an additional medium to continue the educational process. He was instrumental in starting programs in tennis, wrestling, and swimming at West. Ade was inducted as a charter member of the Wisconsin Football Coaches Hall of Fame and was awarded a Distinguished Service Award in the community. He was endearingly referred to by his players as a "builder of men."

The Dillons' dedication to education and values, and their commitment to students and the community, were accomplished with respect and class. Together, they left their students with richer lives and left the community a better place.
